Membership PLUS Deluxe Edition

Extend and Support your Ministry with Membership PLUS Deluxe Edition

Membership PLUS® Version 11 Deluxe includes all of the features and functionality of the Standard version and much more!

Use Membership Plus Deluxe to integrate contributions with Fund Accounting to eliminate duplicate entry of information.

Use the Workflow Wizard Module to streamline routine tasks for staff members and volunteers such as contribution posting, meeting attendance, visitation assignments and responses, just to name a few.

Allow users to post contributions within the privacy of their own home using the Contributions@Home module.

With the Deluxe version you also receive, Small Groups, Event Registration, Calendar, Progress Tracker and the Quick Viewer for users who don't need full access allowing you to protect sensitive member information!

Pricing Combined with Multi-User Access
